Perpetual light shine upon them

The act of placing a candle for a loved one on the cross, brings together two essential parts of our faith: the hope and light of Christ and the remembrance of those who have gone before us. The candle's flame becomes a beautiful symbol of the eternal light of God, illuminating the darkness of death. And placing it on the cross we venerate on Good Friday, draws a direct line to Christ's own sacrifice, reminding us that, through His love and resurrection, death has been transformed into a pathway to new life. In that small but yet powerful gesture, we reaffirm our hope in the resurrection and the communion we share with those we've lost.

Date for your calendar: Meeting of our PPC on Monday 19th. at 8.00 pm in Parish Centre. We would like a full attendance as Patrick Roach from the Diocesan Parish development committee, will address the meeting.

HAVE A WONDERFUL WEEK
